Personal Information and Privacy Statement

Collection of Information

Women in Management Sri Lanka – Canada Chapter recognizes that your privacy is very important, and we are committed to protecting personal information we collect from you. We may collect and hold personal information about you, that is, information that can identify you, and is relevant to providing you with the services or products you are seeking. This personal information may include details such as your name, age, gender, contact information, products and services you are interested in or require more information about. Personal information will generally be collected directly from you using any of our standard forms, over the internet, via email, or through telephone conversations with you.

Purpose of Collection

The personal information that we collect and hold about you, depends on your interaction with us. Generally, we collect, use and hold your personal information for the purposes of:

- providing products or services to you;
- providing you with newsletters, information and other communications;
- providing you with information about other services that we offer that may be of interest to you;
- involving you in promotions and other initiatives undertaken by us;
- facilitating our internal business operations, including the fulfilment of any legal requirements; and
- analyzing our services and customer needs with a view to improving those services.

Security of Information

Women in Management Sri Lanka – Canada Chapter recognizes that your privacy is very important, and we are committed to protecting personal information we collect from you. We store your personal information in different ways, including in paper and electronic format. We take reasonable steps to ensure the security of all information we collect from risks such as loss or unauthorized access, destruction, use, modification or disclosure of data. For example, your personal information is maintained in a secure environment which can be accessed only by authorized personnel. However, no data transmission over the internet or information stored on servers accessible through the internet can be guaranteed to be fully secure thus, these activities are undertaken at your risk.

Changes to Policy

This privacy policy may change from time to time particularly as new rules, regulations and industry codes are introduced. Updated copies will be readily available upon changes, it is recommended you check occasionally to ensure you are familiar with any changes.
